

# Lyra & Pan

Arran

<sup>E5</sup> As you walk beside me now  
I feel your heart beating  
To the same ry thm <sup>D/E Aadd4/E</sup>  
The same as mine <sup>E5</sup>  
<sup>E5</sup> And I know what you feel  
And you know what I feel  
Every second that , that goes by <sup>D/E Aadd4/E E5</sup>  
Forever we will be one  
Oh the bond that we share  
Is so deep and strong  
So deep and strong  
Nothing could tear it apart  
When I feel your beating heart  
To the same rythm as mine

And when you settle down  
To your real shape  
The one that's deep inside  
That's deep inside  
Then I may regret the time  
When you flied over high  
As an eagle, as a sparrow  
As a fly

<sup>E</sup>  
Across the worlds <sup>B11/E</sup>  
And beyond the lights  
We tra - vell ed <sup>Aadd2 G#m5+ F#m11no5 G#m5+</sup> ar - ound  
So many sights <sup>E</sup>  
And so many dangers <sup>B11/E</sup>  
We met side <sup>Aadd2 G#m5+ F#m11no5 E5</sup> by side

On the far side of fear  
Through hardships and fights  
We never turned around  
You were always near  
Oh we were so tight  
Always side by side

As you walk beside me now  
I feel your heart beating  
To the same rythm  
The same as mine  
And I know what you feel  
And you know what I feel  
Every second that, that goes by

Across the worlds  
And beyond the lights  
We travelled around  
So many sights  
And so many dangers  
We met side by side

On the far side of fear  
Through hardships and fights  
We never turned around  
You were always near  
Oh we were so tight  
Always side by side
