

# When Time Never Ends

Arran

Intro guitare

Oh listen to my tale  
To the story I'll unveil  
Stick around just for a while  
You may find it worthwhile  
For what I'm about to tell  
The story of a farewell  
Should bring tears to the eyes  
Of one who never cries  
May help you hang on to your life  
Through every hard ship every strife  
Never desire more than this  
A simple moment of bliss  
Oh listen to my tale  
To the story I'll unveil  
You may find it all worthwhile  
Just for a while  
Down in the lands  
Where time never ends  
Leaves a man so old and grey  
It seems that he may fade away  
He's not a friend, he's not a foe  
Just one who couldn't let go  
He keeps moving on ahead  
Just hanging by a thread  
Living for eternity  
That's what he meant to be  
But every hour feels like a year  
With no closure coming near  
Down in the lands  
Where time never ends  
Leaves a man so old and grey  
He'd like to fade away

He's looking for a door  
For a hole in the floor  
But he locked himself inside  
And lost every hope to subside  
For to live forever  
That is what he was after  
But for sure now he can't  
Stand it anymore  
With no single companion  
He has lost all compassion  
He just moves through the days  
He just drowns in the haze  
For to live forever  
That is what he was after  
Oh but now he can't  
Stand it anymore

So listen to my plea  
Whoever you may be  
Make the most of every day  
Don't let any slip away  
For when all is said and done  
This is where it all comes from  
That the end of it all  
You can't forestall  
Laugh and enjoy while you can  
And slowly let it wane  
And don't wait until it's too late  
Have nothing to regret  
Oh listen to my plea  
Whoever you may be  
Make the most of every day  
Don't let any slip away

F\* :

DADGAD with capo on VII, 789(10)77

Standard tuning, non capo, 123200
