

# Strange Delight

Arran

A D6sus2/A  
Come with me and let's go to -night

A D6sus2/A  
Let's embark on the sweetest flight

A D6sus2/A  
Won't you answer to my in -vite

Dadd2 E5/B  
Let's get out of sight

I don't care if you're black or white  
If you old or young, if your strong or slight  
Whoever you are, I tell you outright  
Come on and join me tonight

Dadd2 A Dadd2  
In your eyes

A  
I see sparkles, I see stars  
A Bm11no5 Dadd2 Eno5add4  
Let us make it last

Dadd2 A Dadd2  
In your eyes

A  
I see sparkles, I see stars

A Bm11no5 Dadd2  
And I'm asking you to make it

G#dim/A  
Make it last

To feel you heart beating inside out  
Fills my heart with a strange delight  
I feel your heart beating inside out  
Well that's all right

I hear your voice ringing all around  
I fear I maybe be lost in the sound  
Of your singing voice ringing all around  
There's only joy to be found

In your eyes

I see sparkles, I see stars

Let us make it last

In your eyes

I see sparkles, I see stars

And I'm asking you to make it

Make it last

You can drop it all and forget it all

You can let it roll and let it fall

Let your troubles go into a stall

Just let it fall

Just enjoy the feel of being alive

Put your hands with mine

And drown in the vibe

Let's enjoy the feel of being alive

Carried away by the tide

In your eyes

I see sparkles, I see stars

Let us make it last

In your eyes

I see sparkles, I see stars

And I'm asking you to make it

Make it last
