

# Farewell Sweet Robyn

## Capo I

**D5**  
 Farewell, to you my sweet Robyn  
 If as I take thee  
 Always true to me  
 Tell me my dismiss  
 Was it really unforeseen  
 If as I trust thee  
 You were so dear to me

Farewell, to you my companion  
 If as you read this  
 I am long dead and gone  
 As we face the day  
 Of the gloomy denouement  
 Of our hopeless scheme  
 Dismissed and foregone

**Bm D**  
 I know that I'll ever know

**G A**  
 But oh

**Bm D**  
 I know that I'll ever know  
**G C#5-/no3 (x4568x)**  
 But oh

**D**  
 Betrayer I may be  
 But I know what I still

**G**  
 Believe in

**D**  
 A traitor you may see  
 As I am sitting here

**E7**  
 Lost and dying

**D**  
 But deep in my heart

**Dmaj7**  
 I know you can't be part

**D6**  
 Of the wicked crime

**D2**  
 Taking me in my prime

**G A**  
 You were so close to me

**G A**  
 It could never be

**D5**  
 That you lied

Farewell, to you my sweet Robyn  
 If as I take thee

Always true to me  
 Maybe I won't know  
 Who you might have been  
 My friend and lover  
 Or the death of me

Farewell, to you my companion  
 If as you read this

I'm long dead and gone  
 Tell me will you live on  
 Aad and forlorn  
 Or will you cheer the day  
 That I was felt upon

*I know that I'll ever know but oh  
 I know that I'll ever know but oh*

*Betrayer I may be  
 But I know what I still  
 Believe in*

*A traitor you may see  
 As I am sitting here  
 Lost and dying*

*But deep in my heart  
 I know you can't be part  
 Of the wicked crime*

*Taking me in my prime  
 You were so close to me  
 It could never be*

*That you lied*
