

Love Gone Astray, Part 2

Cmaj7 **C** **Asus2**
 I've been waiting so long
Cmaj7 **C** **Asus2**
 Wondering what went wrong
Dm **G**
 Something I did ?
Ddim **Am**
 Something you hid ?
Dm
 Will you not explain
Em **Am G7**
 Why I've been waiting in vain

All the tears that I shed
 For what I never red
 Nothing, you wrote
 A vacant note
 Did you never care
 For what we wanted to share

Am
 Life

Em
 Never turns out as you expect
F
 Love

E7
 Will suddenly turn to neglect
Am
 Maybe I should have known

Em
 Right from the start
Dm
 But I was only listening
G7
 To my heart

I've been waiting so long
 Now I know what went wrong
 Nothing I did
 Something you hid
 Now it all explains
 Why I've been waiting in vain

Not a tear did you shed
 As you moved on ahead
 Nothing you left
 A blatant theft
 Cos you never cared
 For what we wanted to share

Life
 Never turns out as you expect
 Love
 Will suddenly turn to neglect
 Maybe I should have known
 Right from the start
 But I was only listening
 To my heart
