

Ash and Dust

Dm
 Histories unfold
 It is as we were told
 Histories unfold
Asus2
 D'you feel the cold ?

Everything we hold dear
 Will wither and will die
 Overcome by fear
 How we will cry

Dm **G**
Our friends, our sons, our enemies
Dm **A**
Will meet their fateful destinies
Dm **G**
And we'll return, that you may trust
Dm C Dm
To ash and dust

No one will be spared
 It is as we were told
 Oh no one will be spared
 D'you feel the cold ?

The servants and the lords
 Will wither and will die
 We'll let go of our swords
 And we will cry

Our friends, our sons, our enemies
Will meet their fateful destinies

And we'll return, that you may trust
To ash and dust

And the Others will rise
 It is as we were told
 And the Others will rise
 D'you feel the cold ?

And every living soul
 Will wither and will die
 We'll pay the highest toll
 And we will cry

Our friends, our sons, our enemies
Will meet their fateful destinies
And we'll return, that you may trust
To ash and dust

But if the dragon comes
 Is it as we were told ?
 Oh if the dragon comes
 To heat the cold

Ice will melt away
 Will wither and will die
 We will stand up again
 And we will cry

Our friends, our sons, our enemies
Will fight their fateful destinies
And we'll return, that you may trust
From ash and dust
