

Tell Me Boys

C **F** **G** **C**
 My mum warned me always to be wary
 Bb **F**
 Of you and your money
C **F** **G** **C**
 She told me never never to trust any
 F Eb
 Not a man

I know what you really have in mind
 When you look so kind
 Do you really think that I am blind ?

F
Well you can offer me
 C
All the gold in the Swiss banks
 F
I'll take it all but
 G
Don't expect no thanks

C
 Please tell me boys
 Bb **G**
 Please tell me what you think
 F
 When you blink
 G **F** **G**
 Do you see a flash of pink
C
 Is it true boys
 Bb **G**
 That it is a sine qua non
 F
 To think of me
 G Eb **C**
 With no clothes on

Many tried to put a ring on my finger
 Make me theirs forever
 Old fools, they never knew
 What I was after
 Not a man

They thought they'd do
 Better than the others
 But I took their purse
 For just a few glimpses of my treasures

*Well you can offer me
 All the gold in the Swiss banks
 I'll take it all but
 Don't expect no thanks*

Please tell me boys
 Please tell me what you think
 When you blink
 Do you see a flash of pink
 Is it true boys
 That it is a sine qua non
 To think of me
 With no clothes on

My mum warned me always to be wary
 Of you and your money
 She told me never never to trust any
 Not a man

It's you she should have warned instead
 To get in my bed
 Doesn't get you inside my head

*Well you can offer me
 All the gold in the Swiss banks
 I'll take it all but
 Don't expect no thanks*

Please tell me boys
 Please tell me what you think
 When you blink
 Do you see a flash of pink
 Is it true boys
 That it is a sine qua non
 To think of me
 With no clothes on
