

In a Straight Line

D

To all those who ever lied
When they told me about Life

Em

Those who warned and denied

F#m

A

Who said it would be of deceit and strife

When it was full of surprise
Not knowing where, when and how
Because none of their advise
Could have taken me here and now

G F#m

Here I am
Well I couldn't say

Bm Bm/C# D D/E D

That I'm on cloud nine

G

But I feel fine

Em F#m

On and on
Walking along

Bm Bm/A G G/F# G

Through rain or shine

A

In a straight line

Oh there were some hard times
This I couldn't deny
And I got lost sometimes
But always found my way and got by

You may say I got it easy
Or that I was never tried
But maybe I just kept busy
Looking ahead without fear
Without pride

Here I am
Well I couldn't say
That I'm on cloud nine
But I'm just fine
On and on
Walking along
Through rain or shine
In a straight line

Now I feel the end is near
But it won't make me cry
Oh I can't say that I'll cheer
But I'll greet it
Without tears in the eye

Cos I don't regret a thing
And there's nothing I would alter
I'm not a star or a king
But I've a past
Full of smiles and laughter

Here I am
Well I couldn't say
That I'm on cloud nine
But I'm just fine
On and on
Walking along
Through rain or shine
In a straight line
