He promised me the very best horse
That I iver set my een upon
But when I gat t'this barnyard
There's naethin' there but skin and bone

Linton addie, torin addie
Linton addie, torin ee
Linton lowrin' lowrin' lowrin'
The barnyards o'Delgaty!

The auld black horse sat on her rump
Th' auld grey mare sat on her wime
And fer all I'd whup an' crack
They wouldna rise at yokin' time

Linton addie, torin addie
Linton addie, torin ee
Linton lowrin' lowrin' lowrin'
The barnyards o'Delgaty!

When I go tae kirk on Sunday
Monny's th' bonny lass I see
Sittin' by her father's side
Winkin' o'er the pews at me

Linton addie, torin addie
Linton addie, torin ee
Linton lowrin' lowrin' lowrin'
The barnyards o'Delgaty!

Oh I can drink and no be drunk
And I can fecht an' no be slaun
And I can sleep wi' another man's lass
And still be welcome tae my own!

Linton addie, torin addie
Linton addie, torin ee
Linton lowrin' lowrin' lowrin'
The barnyards o'Delgaty!

Noo me cannle is brunt oot
Me snotter's fairly on the wane
Fare-ye-weel ye Barnyards:
Ye'll niver catch me here again!

Linton addie, torin addie
Linton addie, torin ee
Linton lowrin' lowrin' lowrin'
The barnyards o'Delgaty!
